Class Counsel

## IN THE THIRD DISTRICT COURT

## SALT LAKE COUNTY, STATE OF UTAH

JERRY LUKENS, individually and on behalf of all others similarly situated, Plaintiff, v.	ORDER GRANTING PLAINTIFF'S MOTION FOR FINAL APPROVAL OF CLASS ACTION SETTLEMENT AND MOTION FOR ATTORNEYS' FEES, COSTS, EXPENSES, AND A SERVICE AWARD
UTAH IMAGING ASSOCIATES, INC., a Utah corporation,	Case No.: 210906618
Defendant.	Honorable Laura Scott

This matter coming to be heard on Plaintiff's Motion for Final Approval of Class

Action Settlement ("Motion for Final Approval") and separate Motion for Attorneys' Fees,

Costs, Expenses, and a Service Award ("Fee Motion"), due and adequate notice having been given to the Settlement Class, and the Court having considered the papers filed and proceedings in this matter, and being fully advised in the premises,

IT IS HEREBY ORDERED:

1. Capitalized terms used in this Order that are not otherwise defined herein have the same meaning assigned to them in the Settlement Agreement.

2. This Court has jurisdiction over the subject matter of the Litigation and personal jurisdiction over all parties to the Litigation, including all Settlement Class Members.

3. This Court preliminarily approved the Settlement Agreement by Preliminary Approval Order dated May 23, 2023, and the Court finds that adequate notice was given to all members of the Settlement Class pursuant to the terms of the Preliminary Approval Order.

4. The Court has read and considered the papers filed in support of the Motion for Final Approval, including the Settlement Agreement and exhibits thereto and supporting declarations, and the Fee Motion.

5. Based on the papers filed with the Court, the Court now gives Final Approval of the Settlement and finds that the Settlement Agreement is fair, reasonable, and adequate, and in the best interests of the Settlement Class. The complex legal and factual posture of the Litigation, and the fact that the Settlement Agreement is the result of arm's-length negotiations presided over by a neutral mediator, further support this finding.

6. Pursuant to Utah R. Civ. P. 23, and for the purposes of settlement only, the following Settlement Class consisting of:

"[A]II persons whose PII and/or PHI was potentially compromised as a result of the Data Incident that Defendant discovered on or about September 4, 2021, including all persons who were sent a letter notifying them of the Data Incident."

7. The Settlement Class excludes Defendant's officers and directors as well as (i) all Settlement Class Members who timely and validly request exclusion from the Settlement Class; (ii) the Judge assigned to evaluate the fairness of this settlement; and (iii) any other Person found by a court of competent jurisdiction to be guilty under criminal law of perpetrating, aiding or abetting the criminal activity occurrence of the Data Incident or who pleads *nolo contendere* to any such charge.

8. For settlement purposes only, the Court confirms the following counsel as Class Counsel, and finds they are experienced in class litigation and have adequately represented the Settlement Class:

> Ben Barnow Anthony L. Parkhill BARNOW AND ASSOCIATES, P.C. 205 W. Randolph St., Suite 1630 Chicago, Illinois 60606

Andrew W. Ferich AHDOOT & WOLFSON, PC 201 King of Prussia Road, Suite 650 Radnor, PA 19087

9. With respect to the Settlement Class, this Court finds, for settlement purposes only, that: (a) the Settlement Class defined above is too numerous for their joinder to be practicable; (b) there are questions of law or fact common to the

Settlement Class, and those common questions predominate over any questions affecting only individual members; (c) the Class Representative and Class Counsel have fairly and adequately protected, and will continue to fairly and adequately protect, the interests of the Settlement Class; and (d) certification of the Settlement Class is an appropriate method for the fair and efficient adjudication of this Litigation.

10. The Court has determined that the notice given to the Settlement Class Members in accordance with the Preliminary Approval Order fully and accurately informed Settlement Class Members of all material terms of the Settlement and constituted the best notice practicable under the circumstances, and fully satisfied the requirements of Utah R. Civ. P. 23, applicable law, and the due process clauses of both the U.S. and Utah Constitutions.

11. The Court orders the Parties to the Settlement Agreement to perform their obligations thereunder. The terms of the Settlement Agreement shall be deemed incorporated herein as if explicitly set forth and shall have the full force of an order of this Court.

12. The Court dismisses the Litigation with prejudice and without costs (except as otherwise provided herein and in the Settlement Agreement) as to Plaintiff's and all Settlement Class Members' claims against the Released Parties. The Court adjudges that the Released Class Claims and all of the claims described in the Settlement Agreement are released against the Released Parties.

13. The Court adjudges that Plaintiff and all Settlement Class Members who have not opted out of the Settlement Class shall be deemed to have fully, finally, and

forever released, relinquished, and discharged all Released Class Claims against the Released Parties, as set forth in the Settlement Agreement.

14. The Court further adjudges that, upon entry of this Order, the Settlement Agreement and the above-described release of the Released Class Claims will be binding on, and have *res judicata* preclusive effect in, all pending and future lawsuits or other proceedings related to the Released Claims maintained by or on behalf of Plaintiff and all other Settlement Class Members who did not validly and timely exclude themselves from the Settlement, and their respective predecessors, successors, heirs, beneficiaries, conservators, trustees, executors, administrators, representatives, and assigns of each of the foregoing, as set forth in the Settlement Agreement. The Released Parties may file the Settlement Agreement and/or this Final Approval Order in any action or proceeding that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

15. The following persons submitted timely and proper requests for exclusion, are excluded from the Settlement Class, and are not bound by the terms of the Settlement Agreement or this Final Approval Order:

- (a) Aaron Sullivan;
- (b) Alastair Sullivan;
- (c) Catherine Sullivan; and
- (d) Angela Wald.

16. Plaintiff and Settlement Class Members who did not validly and timely request exclusion from the Settlement are permanently barred and enjoined from asserting, commencing, prosecuting, or continuing any of the Released Claims or any of the claims described in the Settlement Agreement against the Released Parties.

17. The Court grants the Fee Motion and approves payment of attorneys' fees to Class Counsel in the amount of \$700,000.00 and costs and expenses to Class Counsel in the amount of \$9,926.38. This amount shall be paid from the Settlement Fund in accordance with the terms of the Settlement Agreement. The Court, having considered the materials submitted by Class Counsel in support of final approval of the Settlement and their request for attorneys' fees, costs, and expenses, finds the award of attorneys' fees, costs, and expenses appropriate and reasonable for the following reasons: First, the Court finds that the Settlement provides substantial benefits to the Settlement Class. Second, the Court finds the payment fair and reasonable in light of the substantial work performed by Class Counsel. Third, the Court concludes that the Settlement was negotiated at arm's-length without collusion, and that the negotiation of attorneys' fees only followed agreement on the settlement benefits for the Settlement Class Members. Finally, the Court notes that the Notice specifically and clearly advised the Settlement Class that Class Counsel would seek an award in the amount sought.

18. The Court hereby confirms appointment of Plaintiff Jerry Lukens as Class Representative. The Court approves the Service Award in the amount of \$3,000 for the Class Representative Jerry Lukens, and specifically finds such amount to be reasonable in light of the services performed by Plaintiff for the Settlement Class, including taking

on the risks of litigation and helping achieve the results to be made available to the Settlement Class. This amount shall be paid from the Settlement Fund in accordance with the terms of the Settlement Agreement.

19. Neither this Final Approval Order, the separate Judgment, nor the Settlement Agreement, nor the payment of any consideration in connection with the Settlement shall be construed or used as an admission or concession by or against Defendant or any of the other Released Persons of any fault, omission, liability, or wrongdoing, or of the validity of any of the Released Claims as set forth in the Settlement Agreement. This Final Approval Order and separate Judgment is not a finding of the validity or invalidity of any claims in this Litigation or a determination of any wrongdoing by Defendant or any of the other Released Parties. The Final Approval of the Settlement does not constitute any position, opinion, or determination of this Court, one way or another, as to the merits of the claims or defenses of Plaintiff, the Settlement Class Members, or Defendant.

20. No objections were filed in this matter. The Court finds no reason to delay entering this Final Approval Order. Accordingly, the Clerk is hereby directed forthwith to enter this Final Approval Order and separate Judgment.

21. The Parties, without further approval from the Court, are hereby permitted to agree to and adopt such amendments, modifications, and expansions of the Settlement Agreement and its implementing documents (including all exhibits to the Settlement Agreement) so long as they are consistent in all material respects with this Final Approval Order and do not limit the rights of the Settlement Class Members.

7 of 8

22. Without affecting the finality of this Final Approval Order and the Judgment for purposes of appeal, the Court retains jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose.
