Incident involving Utah  
Imaging Associates, Inc.,  
which was discovered on or  
about September 4, 2021,  
you may be entitled to a  
benefit from a settlement.**

A \$2.1 million settlement has been reached in a class action lawsuit against Utah Imaging Associates, Inc. (“Defendant”) regarding a “Data Incident.” A third-party’s unauthorized access to Defendant’s computer systems on or about September 4, 2021 potentially resulted in access to personal information, potentially including Personal Identifiable Information (“PII”) and/or Protected Health Information (“PHI”), of Settlement Class Members. The Defendant denies all claims asserted against it in the Litigation, and by entering into the Settlement, the Defendant is not admitting any wrongdoing. The Court has not decided who is right.

**You are receiving this Notice because you may be a Class Member.** Under the terms of the Settlement, you can recover the following benefits.

**Cash Payment:** You may submit a Claim Form for a cash payment (estimated to be approximately \$50) subject to a *pro rata* share (a legal term that means equal share) that may increase or decrease.

**Reimbursement/Credit Monitoring:** In the alternative to the Cash Payment benefit, you may submit a Claim Form for Reimbursement/Credit Monitoring. You can seek reimbursement for some or all of the following as part of the Reimbursement/Credit Monitoring settlement benefit option:

**Compensation for Ordinary Losses.** You may submit a Claim Form for up to \$150 by submitting supporting documentation for ordinary losses that you can demonstrate you incurred because of the Data Incident.

**Compensation for Lost Time.** You may submit a Claim Form for up to 3.5 hours of lost time, at \$25 an hour, if at least one-half hour of documented time was spent dealing with the Data Incident.

**Compensation for Extraordinary Losses.** You may submit a Claim Form for up to \$5,000 in compensation for Extraordinary Losses.

**Credit Monitoring.** You may submit a Claim Form for 24 months of three (3) bureau credit monitoring and insurance.

The easiest way to submit a Claim is online at [www.UIDataIncidentSettlement.com](http://www.UIDataIncidentSettlement.com). To be eligible, you must complete and submit a valid Claim Form, postmarked or submitted online on or before **September 20, 2023**. You can also exclude yourself or object to the Settlement on or before **August 21, 2023**. If you do not exclude yourself from the Settlement, you will remain in the Class and will give up the right to sue the Released Persons for the claims resolved by the Settlement. **A summary of your rights under the Settlement and instructions regarding how to submit a Claim, access the Credit Monitoring benefit and other Settlement benefits, exclude yourself, or object are available at [www.UIDataIncidentSettlement.com](http://www.UIDataIncidentSettlement.com).**

The Court will hold a Final Fairness Hearing on **November 8, 2023, at 9:00 a.m.** At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court will also listen to people who have asked to speak at the hearing. You may attend the hearing at your own expense, or you may also pay your own lawyer to attend, but it is not necessary to attend the hearing nor retain your own lawyer to attend the hearing.
